

Recommended path to the Vale of Cashmere:

1. Start at the "Long Meadow" (big grassy area in north part of park) and cross "East Drive" at the crosswalk.
2. Once you cross, turn right at the fork.
3. You'll reach another fork. Here, turn left and go down the path with stairs.
4. You will arrive at the north part of the pond. You should see our table set up here!
